EU NAVFOR ATALANTA

SPAIN TAKES COMMAND OF THE 'ATALANTA' OPERATION

The 46th rotation completes a deployment marked by increased piracy activity in recent months in Somali waters. Rear Admiral Saladino in his address called on ships sailing off the Somali coast to maintain a high state of vigilance in light of the recent escalation of piracy threats.

EU NAVFOR ATALANTA

TAKE-OVER OF PERSONNEL DEPLOYED TO TACTICAL AIR DETACHMENT 'ORION'

Spain has been the only EU country that has participated uninterruptedly in 'Atalanta' operation since its creation in 2008

The DAT 'Orion' represents one piece of Spain's commitment to the fight against piracy in the western Indian Ocean, with the aim of protecting World Food Program and United Nations (WFP) ships, as well as other vessels, mainly fishing boats, sailing in the area.

EUMAM UA
