

EXPEDITIONARY BATTLE GROUP 'DÉDALO' HAS BEEN DEPLOYED TO ATLANTIC AND MEDITERRANEAN WATERS

INTERNATIONAL MILITARY AGENDA

TACTICAL AIR DETACHMENT "MARFIL" CAME TO END IN SENEGAL AFTER MORE THAN 12 YEARS OF OPERATIONAL COOPERATION IN THE REGION

The closing ceremony in Thies ended the uninterrupted presence of the Air and Space Force in West Africa, while other military activities in the African country and the region will continue.

The ceremony was presided over by Brigadier General Fernando Martín Pascual, on behalf of the Commander of the Operations Command (CMOPS). The ceremony was also attended by other civilian and military authorities.

THE FRIGATE 'MÉNDEZ NÚÑEZ' BEGAN A NEW PHASE OF 'HIGHMAST' DEPLOYMENT AFTER CROSSING THE SUEZ CANAL

The Spanish ship provided air defence for the British aircraft carrier HMS Prince of Wales.

After crossing the Suez Canal and the Red Sea, The frigate 'Méndez Núñez' (F-104), as part of the Battle Group of the British aircraft carrier HMS 'Prince of Wales' - known as Carrier Strike Group (CSG) 25 - has begun the navigation phase across Indo-Pacific Ocean.

AIR DEFENCE UNIT - ESTONIA

SPANISH NASAMS UNIT DEPLOYED IN LATVIA PROVIDES AIR DEFENCE FOR CRITICAL BALTIC INFRASTRUCTURE

As part of Exercise Latvian Shield I-25 (LASH I-25), led by Spain, the Spanish NASAMS-based Air Defence Artillery Unit has provided protection for the Riga Hydroelectric Power Station, which is a key piece of national infrastructure.

This operation contributes directly to the air defence of the Baltic state, which is within the security of NATO's eastern flank.

FORWARD LAND FORCES - ROMANIA

MARINES DEPLOYED TO ROMANIA PARTICIPATES IN "EAGLE WINGS" AND "EAGLE FURY" EXERCISES

The Spanish Marines, part of NATO's Multinational Battlegroup in Romania, have demonstrated their operational capability.

During Exercise Eagle Fury, the Marines undertook a complete overhaul of the major weapons systems available in operational area. At the same time, the "Eagle Wings" exercise was carried out. Both exercises demonstrated the high level of readiness and operability of the Spanish Marines Unit.

FORWARD LAND FORCES - SLOVAKIA

SPAIN ACHIEVED NATO EXCELLENCE DURING STRONG LINEAGE 2025

Spain has achieved NATO excellence during the Strong Lineage 2025 operational activity carried out in Slovakia..

As the leading nation of NATO land forces in Slovakia, Spain has demonstrated that it can generate, plan and deploy a fully integrated brigade unit, capable of taking on the tasks assigned in the regional defence plans.

EUTM RCA

SPANISH SOLDIERS DEPLOYED IN CENTRAL AFRICAN REPUBLIC DELIVERED SCHOOL SUPPLIES TO NOTRE DAME SCHOOL

This educational institution takes in more than 400 children between the ages of 3 and 14, providing them with a welcoming, caring and educational environment.

The school supplies delivered by the Spanish military personnel included: pencils, notebooks and books, among others, essential for the centre's daily tasks. Thanks to this solidarity delivery, the children's learning and development has been reinforced and the fundamental right to a better education was supported.

EU NAVFOR – ATALANTA

THE FRIGATE 'REINA SOFÍA', DEPLOYED IN OPERATION 'ATALANTA', TOOK PART IN A JOINT EXERCISE WITH THE INDIAN NAVY

During the exercise, the European Union vessels simulated a scenario in which a merchant ship was the victim of a piracy attack.

It was the first time that naval forces from the European Union and India joined forces to participate together in training exercises at sea, thus demonstrating the interoperability between navies, but also the excellent relations between the three countries - India, Spain and Italy.

EU NAVFOR – DAT ORION

VISIT OF THE AIR TACTICAL DETACHMENT (DAT) 'ORION' TO THE FRIGATE 'LUIGI RIZZO', FLAGSHIP OF OPERATION 'ATALANTA'

This activity reinforced cooperation between EU countries and showed Spain's commitment to Operation Atalanta in the fight against piracy.

Members of the Air Tactical Detachment (DAT) 'Orion' with representatives of other countries stationed in Djibouti, made a visit to the frigate 'Luigi Rizzo' (F-595) on the occasion of the commemoration of the Italian Republic Day.
