

INTERNATIONAL MILITARY AGENDA

SPAIN PARTICIPATED IN THE CONFERENCE ON CONVENTIONAL WEAPONS REGULATING THE CONDUCT OF PARTIES TO THE CONFLICT

The Convention on Certain Conventional Weapons (CCW) was held in Geneva, analysing compliance with the protocols and the training and assistance activities carried out over the past year.

In the case of Spain, the Verification Unit (UVE) of the Defence Staff reported on various training and assistance activities carried out during the year 2024 in the Republics of Moldova, Poland, Switzerland and Germany.

THE JOINT CYBERSPACE COMMAND PARTICIPATED IN THE CYBERCO

This meeting, held in Budapest, brings together the European Union Cyber Commanders and is the main meeting point for cyber defence at the strategic level.

Such meetings and summits are of great relevance to the Joint Cyberspace Command because, on the one hand, the sharing of capabilities enables the definition of future goals and, on the other, they create opportunities for cooperation that otherwise would be very difficult to achieve.

NEPTUNE STRIKE 24-2

NATO'S ENHANCED SURVEILLANCE ACTIVITIES, NEPTUNE STRIKE 24-2, WHICH WAS CONDUCTED IN MULTIPLE JOINT OPERATIONAL AREAS ACROSS EUROPE, CONCLUDED

The NEPTUNE STRIKE 24-2 operational activity concluded after several days of joint training, covering multiple joint operational areas across the Alliance's European territory.

The aim of this exercise was to increase the integration of naval forces from several countries to ensure the readiness and effectiveness of joint operations and thereby strengthen deterrence and defence strategies against evolving security challenges.

FLF SLOVAKIA

MULTINATIONAL BATTLE GROUP SLOVAKIA, UNDER SPANISH COMMAND, ACHIEVED ITS CERTIFICATION IN LEŠŤ, SLOVAKIA

The Multinational Battle Group Slovakia (MN BG SVK) led by Spain passed the CERTEX 24-I certification and assessment exercise.

The certification exercise (CERTEX) is an evaluation mechanism used by NATO to ensure that its units are ready to be deployed on operational missions. In the case of the Multinational Battle Group Slovakia (MN BG SVK), CERTEX 24-I was aimed to certify that this force is ready to conduct defensive operations within its area of responsibility.

FLF LATVIA

SPANISH PARTICIPATION IN THE FIRST EXERCISE OF THE MULTINATIONAL BRIGADE IN LATVIA

NATO's Multinational Brigade in Latvia conducted 'Resolute Warrior' 2024, its first field exercise as a full brigade, in the Vidzeme and Zemgale regions of Latvia.

This exercise demonstrated the brigade's capability to project its forces, maintain command, control and communication, and integrate all its subordinate units, enablers and flanking units in concert with higher command.

EUMAM UA

FIELD ARTILLERY COMMAND COMPLETED UKRAINIAN MILITARY MODULE ON ARTILLERY CAPABILITIES

The Field Artillery Command (MACA in Spanish) completed the theoretical and practical training of advanced field artillery observers in León, within the framework of the European Union Military Assistance Mission in Support of Ukraine (EUMAM UA).

Through this training, conducted by the Toledo Training Coordination Centre (TTCC), they learned how to designate targets, request, correct and adjust fires, as well as how to assess and report on the effects produced.

EUNAVFOR ATALANTA

FRIGATE F-81 'SANTA MARIA' TRAINED THE NAVY AND COAST GUARD OF DJIBOUTI DURING ITS DEPLOYMENT IN 'OPERATION ATALANTA'

The frigate 'Santa María' carried out training activities, alongside the Navy and Coast Guard of Djibouti, in the framework of the exercise 'Doraleh Regional', during its call at the port of Djibouti, where it provides surveillance and deterrence against piracy and illicit trafficking in the Indian Ocean within the framework of 'Operation Atalanta'.

This capacity building event has significantly strengthened the partnership between the participating entities and improved the visibility of 'Operation Atalanta'.

EUMAM MOZAMBIQUE

DONATION OF SPORTS EQUIPMENT FROM THE ROYAL SPANISH FOOTBALL FEDERATION (RFEF) TO OPERATION EUMAM MOZAMBIQUE

The European Union Military Assistance Mission in Mozambique (EUMAM MOZ) delivered sports equipment, donated by the Royal Spanish Football Federation (RFEF), to young people and children from the Casa do Gaiato orphanage.

This donation reflects Spain's commitment to social welfare in Mozambique, this time thanks to the RFEF's solidarity aid, while also strengthening the ties between the two countries.
